A native of Michigan, Kathy has been active in the sport of dog obedience since 1972. When her first Golden came along in '78, she instinctively began using food as a motivator, and never looked back. For Kathy, building a relationship and teaching concepts, is the key to having fun at whatever sport she plays with her dogs.

An Active participant in several local Clubs, Kathy has served in a variety of roles including: Obedience chair, Breed historian, Board member, Obedience columnist, Tracking Seminar/Test secretary, and Hospitality chair of the 1994 Gaines Eastern Regional. Current memberships include: The Golden Retriever Club of America, Yankee & CT River Valley GR Clubs, and Yankee GR Rescue.

Although her senior Golden, *Can CH U-CD Byrnbrae's Goin' Under Cover, UD, OA, GRCA 2003 Veteran Agility High In Trial, 2x Front & Finish Honoree, Tucker*, has crossed the bridge, look for Kathy and her smiling sidekick *Desi, CanCH Mirasol's I Luv Ricky Ricotta, CDX, TD, AXP, CCA, CanCD*, back in the Obedience ring, out in the Tracking field, and picking up some more owner/handler points this season. Please welcome the newest addition to Kathy's family, *Malagold's Winter Wonderland, aka 'Winnie'*, already a charmer, waiting in the wings to strut her stuff.
